BFA GAME DEVELOPMENT (GAME DESIGN) - ACADEMY OF ART UNIVERSITY

September 2018 - Summer 2020

- Modules: 3D modeling, Level Design, Scripting, Game Engines

Employment & Other Experience

REAL ESTATE AGENT (SELLER) - FASTIGHETSBYRAN, SPAIN

Summer 2017 - Summer 2018

Worked as the communication between the sellers and the agency. I met and communicated with potential sellers to give them information about the agency and what they could expect from their dwelling. Constructed listings for the dwelling in the agencies own software.

VOLUNTEER WORK - MAMA NORAH EDUCATION CENTER - WAGWE, KENYA

November 2016

Helped on the construction of a second school building for orphans as well as taught them math over a 10 day trip. I also helped on improving the stability of the first school building in case of strong storms.

Language

- Swedish - Native Speaker
